CITY OF CHARLESTON, DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

The City of Charleston, Department of Housing and Community Development is requesting proposals from qualified architects to provide architectural services for the development of three (3) individual lots that are located in the Ashleyville neighborhood of West Ashley in the City of Charleston, SC. Each lot will support more than one residence, and the size of each residence will be approximately 1100 square feet of living area. Estimated number of houses to be constructed is between six and eight. Initially, the architectural services will consist of conceptual development and presentation of the sites to the Maryville/Ashleyville Neighborhood Association. Upon conceptual agreement, the selected architect will present to the City of Charleston's BZA-Zoning, Design Review Committee, and Technical Review Committees as needed to obtain City Planning approvals. Subsequently, the architectural work will consist of the development of full design and construction documents with permitting and construction support.

Selection for services will be based upon experience with similar projects, references, scheduling, cost reasonableness, and other relevant criteria. The City may reject any/or all bids deemed in the best interest of the City. Interested architectural professionals should submit a letter of interest, including relevant project experience, and proposal for architectural services on or before Monday, March 28, 2016 at 4:30pm at the address below.
